A Monthly Prayer Diary

Holy God, help us to draw near to you at this time of prayer, that we may worship you with all our hearts, with all our minds, and all our strength, and that we may love and serve others in everything we do. Amen

Keep this leaflet somewhere in your home where you will notice it every day.

Try to spend at least a minute to offer in prayer those appointed to that day.

You may not know them, God does; and He will channel your prayers to His good purposes.
